November 2020

Dear Parishioners and Friends of Saint Patrick's,

The year 2020 has been very difficult for everyone and still is as we seem to be entering the second wave of the Covid-19 pandemic. We remain hopeful that better days will come.

With this pandemic, we had to reduce the number of people that could attend masses in order to respect the Government and Health Ministry guidelines. Therefore, donations have dramatically decreased since the beginning of the year.

We come to you, dear Parishioners and dear Friends of Saint Patrick's, hoping that you can make a donation and, for those of you that can match last year's contribution, you are more than welcome to do so; it would be greatly appreciated. You can also help by contributing any amount that you can so that we can continue to provide for the House of God.

Your donation will help us cover the extra costs we have incurred while having to reduce mass attendance in order to meet all safety guidelines.

We sincerely thank you.

Kind regards,

Silvia Fiorentu, *C.Adm.*
